Metric Definition: Number of administrations reported by DC-area providers by date of vaccine administration. The 7-day rolling average represents the average number of administrations including the past 6 days.

Data Considerations: There may be a lag time between vaccine administration and provider report. This may impact the reporting of vaccine administered, especially in the three most recent days of report, highlighted in red above. DC residents may be vaccinated outside of the DC-area and are not included in this report. Non-DC residents may be vaccinated within DC, especially those who fall into prioritized non-resident categories. Administration may be impacted by holidays and weekends, and is impacted by the size of prioritized groups and vaccine supply. Individuals who receive single dose regimens such as J&J are considered fully vaccinated.

Last Updated: 4/23/2021

Beginning on Saturday, May 1, the District will transition to the use of 11 high-capacity, walk-up, no appointment needed vaccination sites.*

The walk-up sites will be in addition to the pharmacies, clinics, and health care providers that are also administering the vaccines citywide. These sites will operate their own scheduling systems.

More information is available at vaccinefinder.org

** Walk-up sites are for first doses. When you receive your first dose, you will still make an appointment to get your second dose.*

DC | HEALTH
GOVERNMENT OF THE DISTRICT OF COLUMBIA

WE ARE WASHINGTON
GOVERNMENT OF THE DISTRICT OF COLUMBIA
DC MURIEL BOWSER, MAYOR

The following modifications to Phase Two go into effect on Saturday, May 1.

NON-ESSENTIAL RETAIL

The **indoor capacity limit** for non-essential retail businesses is raised from 25% to 50% or 250 people, whichever is lower.

RESTAURANTS AND BARS

- The number of people who can sit together at a table is increased from **6 people to 10** people
 - **Live music will be allowed** outdoors for summer gardens, courtyard dining and sidewalk cafes controlled by the restaurants.
- If customers are sitting outside, **alcohol sales can be made** without a requirement to purchase food

- Multi-purpose facilities, concert venues, and theaters may open at **25% capacity** (up to 500 people) and attendees must remain seated

- Movie theaters can operate at up to **25% capacity** (per auditorium)

CEREMONIES AND MEETINGS

- **Weddings and special events** allowed indoors and outdoors at **25% capacity** (with a waiver for attendance greater than 250), and attendees must remain seated and socially distanced
- **Regional business meetings and seated conventions** allowed indoors at **25% capacity** (with a waiver for attendance greater than 250), and attendees must remain seated and socially distanced

FITNESS AND POOLS

- **Indoor fitness** classes can include up to 25 people
 - **Gyms and fitness centers** can operate at 50% capacity (no more than 250 guests)
- **Public and private pools** may open with health and safety plans in place; hotel pools may only open to overnight guests
 - **Outdoor splash pads** will be able to open at full capacity

PLACES OF WORSHIP

- **Virtual services and outdoor services** continue to be encouraged, especially for those who have not yet been fully vaccinated.

- Places of worship may **admit up to 40%** of their capacity for the room(s) or area where worship services will be held. This total limit includes worshippers, not including clergy and staff. Health and safety protocols, such as mandatory masking and social distancing, must remain in place.

DCPS has partnered with Audi Field to provide a centralized venue for DCPS high schools to hold safe and joyous outdoor graduation ceremonies.

DCPS high school graduations will be held from 6/19-6/24 at Audi Field.

Please stay tuned for an updated calendar of events.
